

KABIR BISANAL

PYTHON DEVELOPER

SUMMARY

Enthusiastic and detail-oriented Python developer with strong foundational skills in Python programming, web frameworks, and database management. Recently completed a comprehensive Python course with high scores, and actively pursuing further certifications in Python for Data Science. Skilled in problem-solving, communication, and rapid learning, with hands-on experience building small projects using Flask, NumPy, and MySQL. Excited to contribute to real-world development as part of a collaborative, growth-focused team.
